

SCHOOL SUPPLY LIST

Miss Perry - Grade 3

Dear Families,

I'm looking forward to teaching your child next fall and welcoming them to upper elementary! This is a year of significant growth, and I'm so excited to see each student learn and thrive.

Instead of sending home a supply list, I plan to purchase everything we need over the summer, including materials for our hands-on STEAM learning. Buying in bulk also helps reduce costs, saving you both time and money!

We will be able to get all the supplies necessary for \$40 a student. This will be payable through School Cash Online in the fall.

Have a wonderful summer, and I look forward to seeing you in September!

Warmly,

Josie Perry

Other personal supplies your child will need:

- ☐ Indoor shoes (If your child is not yet tying shoes, please send Velcro)
- ☐ Water bottle
- ☐ Lunch box
- ☐ Backpack
- ☐ Headphones with a USB-C connection (or regular headphones with a 3.5 mm to USB-C adapter)
- ☐ 3-4 Tissue boxes

Thank you in advance for supplying our classroom with these necessities!
